Very well maintained Sturier Kotter 400 OC built in 2000 with building number 448 by Shipyard Volharding in Stavoren. The yacht has two cabins with 4 (+2) berths. This Sturier Cutter is equipped with a Perkins M135 engine with 125 hp and has many extras such as a Webasto heating (5kW), electric bow thruster (10 hp), Mastervolt inverters (1500 W), electric windlass. The yachts also has a complete set of navigation like a Robertson RFC rate electric compass, Shipmate RS8300 VHF, Simrad radar, Navtex Weatherman. This well kept Sturier Kotter 400 is in a covered marina and can be visited by appointment in Friesland.
